

CHRISTALIS 2016 - UGANDA ANNUAL REPORT

PROJECTS

Christalis Home

We moved into our new home in February 2016. We started the year with 21 children but resettled 6 of them. However, we are still providing their education, medical care and any other needs they may have. Jackie, one of our girls, is starting to work towards her Social Work Degree. Mugabo scored first in his class out of 111 for all three terms of his first year in secondary school. We also took in 4 new babies and 6 children from the streets.

Assistance Program

Our assistance program grew from 116 to 250. Two girls and two boys graduated at the top of their class and in Division 1.

We were able to help eight children with medical needs this year. The biggest medical need was open-heart surgery for a 4 year old child with a congenital defect. We also helped children with mental disorders, rehab needs, epilepsy, palliative care and other needs.

Family Development Program

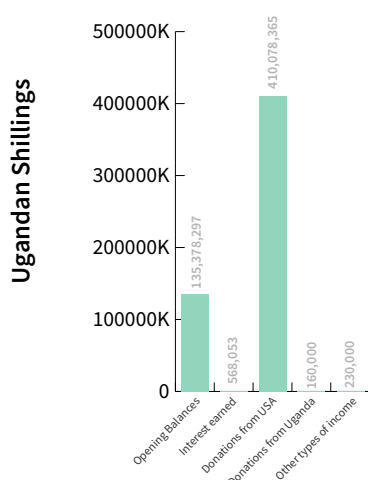

We were able to provide food, clothing and mattresses to 4-5 families who are very poor. We were also able to provide materials and land for cultivation for one of the families to help them increase their income level.

TRUCK AND VAN

We thank the Anonymous Foundation for giving us funds for two vehicles: a double cabin Toyota Hilux truck and a Toyota Hiace van of 14 seats. The van enables us to take our children to school and on trips. The truck enables us to buy groceries and deliver donated items to children in the community.

FINANCIALS

Income

Expenses

THANK YOU

Board Members, staff and volunteers | We would like to extend a heartfelt thank you to our Board Members, Staff and Volunteers. Without their sacrificial service we would not be able to help all our children.

SladeChild Foundation | Thank You Karen and all the Trustees of SladeChild for providing us funds to feed our children in The Christalis Home.

Anonymous Foundation | Thank you for providing us with funds for construction, the purchasing of two vehicles as well as a grant towards the support of 100 children.

Washington Adventist University | Thank you for collecting money to purchase 100 Bibles for children in our Assistance program.

2400.ORG | We are also extremely grateful to 2400.ORG for providing 250 mosquito nets for children in our Assistance program.

EVON DAVID RETIREMENT

Evon David, our Executive Director, sacrificially served our children from November 2004–May 2016. Evon expanded our organization from an orphanage to an assistance program to a meal program and sowed the seeds towards our family development program. She was also the lead in building our new home, from designing, purchasing and sitting at the site all day in the heat to ensure things were done correctly.

Her courage, resourcefulness, generosity, perseverance, dedication, hard work, commitment and sacrifice will never be forgotten. She is not only missed by us but also the community which was greatly impacted by her love. Most importantly her love and spiritual guidance continue to live on in the lives of our children.

STUDENT MISSIONARIES FROM WALLA WALLA UNIVERSITY

Emily Field
20 | Social Work

Sierra Davis
21 | Nursing

Dylan Browning
21 | Education

Emily, Sierra and Dylan were a vital part of our progress in 2015/2016. They provided many services for our children and our organization, some include: Leading out in worship, teaching children new songs, keeping children to their schedules, teaching them crafts and games, counseling, tutoring, organizing and leading VBS for our children and the community, initial and

monitoring evaluations for the tuition and medical assistance in the villages. They helped with the construction of our home as well as small building projects in the home. They also helped us develop procedures, forms, menus and other processes for the organization. Most importantly they provided love, affection, care and support to our children.
